### Intent

Board members are committed to quality governance and continuous improvement. They will periodically review and evaluate the board's performance. Improvements to board processes will be made when in the best interests of the organisation and those we serve.

### Requirements

The [Quality assurance and improvement](#) policy applies to governance responsibilities.

The board will periodically review and evaluate its performance and may:

- use agreed indicators for this purpose
- budget for and organise training to help members perform their governance roles
- develop specific strategies to any inequities indicated by performance and feedback data

- identify likely skill gaps amongst the board given future needs and social and health prioritisation of Māori and Pasifika health needs
- plan to address gaps through strategies such as mentoring, governance training, recruitment of new members, co-option of members.

## Compliance

Social Sector Accreditation Standards - Level 2, Quality improvement 1.0-3.0

NZS 8134:2021 Workforce and Structure, Governance 2.1.2, 2.1.4
